The 4th INTERNATIONAL CONGRESS OF CLINICAL AND HEALTH PSYCHOLOGY ON CHILDREN AND ADOLESCENTS will take place in the island of Mallorca this year from November 15 to 17.

The mission of this congress is updating child clinical psychologist. Quality care for children’s mental health requires constant updating. We intend to bring the latest knowledge to clinicians and researchers. The collaboration between the different research groups that analyze and evaluate the different psychological disorders in childhood throughout the world is essential in a context of scientific progress.

We hope that this congress facilitate a space for learning, improving the professional praxis and exchanging knowledge for scientific psychology focused on child mental health to progress and improve.
